

THE BARLOW FLOWER BED

Planted during the autumn of 2013

Shrubs

Crinodendron hookerianum 'Ada Hoffman'

Daphne bholua 'Jacqueline Postill'

Underplanting

Anemone blanda 'White Splendour'

Anemone nemorosa 'Alba'

Crocus cultorum 'Jeanne d'Arc' (white)

Cyclamen coum

Narcissus 'Thalia' (creamy white)

Narcissus 'Silver Chimes'

Galanthus 'Elwesii'

Herbaceous Perennials

Delphinium 'Galahad' (white)

Delphinium 'Black Knight' (dark blue)

Gillenia trifolata (white)

Dicentra (now called *Lamprocapnos*) *spectabilis* f. *alba*

Ranunculus aconitifolius 'Flore Plena' (white)

Actaea simplex 'Black Negligee' (dark foliage, white flower)

Aquilegia vulgaris 'Nora Barlow'

Aster divaricatus (white)

Astilbe japonica 'Avalanche' (white)

Astrantia 'Star of Fire' (deep red)

Astrantia 'Star of Royals' (white)

Campanula 'Pink Octopus'

Aster nove-belgii 'Royal Ruby'

Hosta 'Patriot' (white-edged leaf)

Adiantum pedatum (fern)

Asplenium scolopendrium (fern)

Asplenium scolopendrium 'Augustatum' (fern)

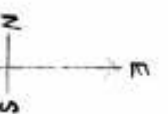

Dryopteris filix-mas (fern)

Monarda 'Schneewittchen' (white)

Anemone 'Wild Swan' (white)

Depending upon the rate of growth of the above plants, any gaps in the early few years will be filled by *Penstemon* cultivars (near the tree trunk) and the much taller *Verbena bonariensis* (further away from the tree trunk in the bed).

 Maintenance path (flag)

Underplanting (late winter/spring)

- Anemone blanda 'White Splendor'
- Anemone nemorosa
- Crocus cultorum 'Jeanne d'Arc'
- Cyclamen coum
- Narcissus 'Thalia'
- Narcissus 'Silver Quinnes'
- Galanthus 'S. Ametr/'Euseii'

- A Crinodendron hookerianum 'Ada Hoffman'
- B Daphne blayda 'Jacqueline Postil'
- C Delphinium - white (e.g. 'Swagase')
- D Delphinium - purple (e.g. 'Black Knight')
- E Galium trifoliatum
- F Dianthus (now Lamprocyathus) spectabilis f. alba
- G Ranunculus acutifolius 'Flora Peta'
- H Adonis simplex 'Black Magique' or 'Brunette'
- I Aquilegia vulgaris 'Nova Barlow'
- J Aster divaricatus
- K Astilbe japonica 'White China'

- L Astrantia 'Ruby Wedding'
- M Astrantia 'Star of Royals'
- N Campanula trachelium 'Beautiful Truth'
- O Aster novi-belgii 'Royal Ruby'
- P Hosta - white edged leaf, e.g. 'Farrist'
- Q Adiantum pedatum
- R Asplenium trichomanes
- S Dryopteris filix-mas
- T Verbenia bonariensis
- V Penstemon cultivars to plug gaps.
